

Environmental Services Division

3616 S. Stateline Ave.

Texarkana, TX 75503

903-798-3870

Dear Commercial Service Applicant,

Please contact the Environmental Services Division of Texarkana Water Utilities to schedule a Customer Service Inspection (CSI) at your business. This inspection is required to be completed before your water service can be permanent. This inspection will be concerned with areas in which water is used inside and outside your business.

Inspections may be scheduled between 8:30 am and 4:30 pm Monday through Friday by calling 903-798-3870 or by emailing environmentalservices@txkusa.org. If scheduling by email please use CSI Inspection in the subject line and include the business name and address in the body of the email. Please give us a time and date for the inspection and we will respond within 24 hours to confirm the date or request another date and time.

Your cooperation in helping us maintain a safe drinking water supply for the Texarkana area is greatly appreciated. Please contact the Environmental Services office should you have any questions or require assistance.

Sincerely,

Texarkana Water Utilities
