

Registered Backflow Assembly Testers

The Texarkana Water Utilities has provided this list as a courtesy to the User and does not endorse nor recommend any tester. The list contains the testers who are registered with the Texarkana Water Utilities to test backflow assemblies in the territorial boundaries of the Cities of Texarkana and any assembly where water service is provided by the Texarkana Water Utilities. All assemblies and testers are subject to requirements of the Codes of Ordinances of the Cities of Texarkana, Arkansas and Texarkana, Texas. Any licensed and registered backflow assembly tester (general tester) may test assemblies installed on domestic water supplies, irrigations systems and equipment except fire protection systems. A licensed and register fireline backflow assembly tester (fireline tester) is required for assemblies installed on a fire protection system.

General Testers

Company	Phone Number	Testers	Test	Repair
Backflow Preventer Testing & Repair	(817) 451-1388	Joe Gonzalez	TX	TX
Central Air & Plumbing	(903) 832-1212	Clifton Rushing	AR/TX	AR/TX
