

### **Compost / Woodchip / Greenwaste**

Due to the COVID-19 virus, the compost site at the Wastewater Treatment Facility, 4000 South State Line Ave, will be closed until further notice. Customers will not be able to purchase compost and wood chips either in bags or loose.

The greenwaste site will continue to accept leaves, grass clippings, brush & tree prunings up to twelve (12) inches in diameter and eight (8) feet in length. **No Tree Stumps**. Clean, untreated lumber, pallets, etc. will also be accepted. ***Painted lumber, old furniture, plywood, presswood, cross ties, wood from the demolition of structures, household garbage, plastics, paper, concrete are NOT accepted.***

**Hours of Operations are Monday through Saturday, 8:00 am to 5:00 pm.**
